## FROM THE PRESIDENT'S DESK...

### The Cracked Pot

A water bearer in India had two large pots, each hung on an end of the pole which he carried around his neck. One of the pots had a crack in it, while the other pot was perfect and always delivered a full portion of water at the end of the long walk from the stream to the Master's house. The cracked pot however arrived only half full. For two years this went on daily, with the water bearer delivering only one and one half pots of water. Of course, the perfect pot was proud of its accomplishments. But the cracked pot was ashamed of its own imperfections and miserable that it was able to accomplish only half of what it had been made to do.

One day at the stream it spoke to the water bearer. He said “I'm ashamed of myself and I want to apologize to you”. “Why?” asked the bearer. “I have been able for these past few years to deliver only half a pot of water because of this crack in my side. It causes me to leak all the way back to your Master's house. Because of my flaws I can not accomplish what the other pot can” the pot said.

The water bearer felt sorry for the cracked pot and told him to notice the beautiful flowers along the path back to the Master's house. As they journeyed up the hill the pot took notice of the sun warming the beautiful wild flowers on the side of the path and this cheered him some. The bearer of the pot said, “Did you notice that there were flowers only on one side of the path, but not on the other pot's side? That's because I have always known about your flaw, and I took advantage of it. I planted flower seeds on your side of the path, and every day while we walk back from the stream, you water them. For two years I have been able to pick these beautiful flowers to decorate my Master's table. Without you being just the way you are, he would not have this beauty to grace his home.”

Each on of us has our own unique flaws. But if we allow it, the Lord will use our flaws to grace his Father's table. Only God can take what we don't feel is good enough and use it to beautify another's life. I am so glad we don't have to be perfect, just willing to make a difference.

From my heart to yours,

*Jerilyn*

## News from our Corporate Office...

-Maxim Furek, M.A.-

The Corporate Office had the distinct pleasure of welcoming back **Maxim Furek** to conduct training for the PATH Staff and other outside agencies. Maxim's training entitled "Healing Shame Within the Dysfunctional Family System" was held in September before a packed house. The in depth training engaged the attendees present discussing topics such as the difference between shame and guilt, Erickson's and Maslow's stages of development, roles of a dysfunctional family, and the healing process of shame. The attendees thoroughly enjoyed the presentation and value the knowledge and expertise that Maxim brings to his training.

**Program Compliance Manager, Erica Frey** and **D&A Facility**

**Director, Michele Barrows**, held the Clinical Supervisors and D&A Meeting in September. The day consisted of training on various topics and clinical studies of cases. The Safety Committee also held their

monthly meeting. **Safety Committee Chairman, Joshua Weisen** reports that there were no accidents for the month of September! The Safety Committee would like to remind everyone that as the autumn weather sets in, be cautious while driving by leaf piles and refrain from driving through them, as these are great hiding places for children and animals. We hope that everyone has a safe experience this fall.

**President, Jerilyn Keen** would like to congratulate the D&A Counselors, D&A Facility Directors, and all staff who contributed to a very successful BDAP inspection! On behalf of the agency, she commends all the hard work and efforts displayed during these inspections. The results speak volumes of your dedication! Great Job, you made PATH Proud!

## "Words of Hope"

The gratitude received after the treatment process is sometimes the strongest motivation for our staff to forge ahead. PATH would like to share a few of the messages that we've received from our past clients and their families regarding their experience with us.

*"The kind of person I am now compared to the person I was 6 months ago, just blows my mind because I have accomplished things that I never thought that I would ever accomplish. My mom could never trust me and now we have a great relationship. I just wanted to thank PATH for all it has done for me" – Jimmy*

*"You turned my life around, you gave me all the tools that I needed to go back in the real world. Thank you for everything. I think that the program changed my life and I wanna thank you guys for all the help." – Charles*

*"I loved going...it helped me a lot I wish I could still go..." – Ryan*

*"I've learned so much...what was most helpful was everybody that worked at PATH. They stood by me the whole time and believed in me when I didn't. I love PATH. I will suggest anybody who needs support and love to go to PATH. Thank you so much for everything I will never ever forget what you did for me" – Delicia*

*"The normative systems made me more aware of what I have to do to be successful" – Jacob*

*"It was very helpful and probably one of the best things that has ever happened to me" – Tyler*

*"He was treated like a person, respected and understood by the staff and he reciprocated. I was very impressed with the staff. The program as a whole is very beneficial. Thank goodness your facility was here for my son, he was able to receive his high school diploma. He has just finished his first week at college" - Missy and Mark (Parents)*

*"He is much more respectful and has matured greatly in all ways. My son grew greatly and I feel he will be ok now" - Kevin (Parent)*

## This is "What's Happening" at our Centers...

**PATH – Bloomsburg:** The Bloomsburg center is running at full speed as they begin the new Alternative Education Program (AEP) school year. The AEP students have already been hard at work studying as well as doing their part to assist in the town of Bloomsburg. The AEP students took part in trash pickup in the center's hometown and the students were excited to see the impact they made on the town. A majority of the students stated that they take great pride in their town and want to do what they can to keep it beautiful. Great job students!

The Bloomsburg Center would like to welcome **Caseworker, Marta Adelizzi** and welcomes back **Community Monitor, Connie Williams** to the Bloomsburg PATH team. **Program Manager, Heather Heiny** states that both Connie and Marta have already made huge impacts in the center and she is grateful to have them as part of the team. Heather states that she can already see a positive change in the students that are working with them and looks forward to their impact on other students and clients in the future.

-AEP Clean Up Crew-

The Bloomsburg Center and PA Treatment and Healing would like to send their prayers and condolences to **Drug & Alcohol Counselor, John O'Brien**, who's son, Jake, recently passed away. We pray that the love and comfort of the Lord surrounds John and his family in this time.

**PATH – East Stroudsburg:** East Stroudsburg has their game faces on as they tackle the beginning of the new school year with a vision of success. The Day Treatment (DT) and Intensive Adolescent (IA) clients have been hard at work in groups with the assistance of **Psychologist, Karen Livingood's** participation in the groups. The East Stroudsburg center is grateful that Karen is able to share her expertise in the group as the staff and clients all focus on positive and lasting change! The DT & IA clients took some time out from treatment to offer a hand to the senior citizens of Monroe County. The clients assisted in performing some grounds work duties and beautified the yards of the living facilities for the elderly. Outstanding job DT/IA clients!

The AEP students have been doing some "grounds work" of their own. The students recently started a recycling project in an effort to help protect and preserve the earth. The students are excited to make an impact and the project has taught them the responsibility each of us has to do our part! **Teacher, Domita White** has also had the students working on a wall mural that focuses on math and grammar as well as the student's artistic abilities.

The East Stroudsburg Center would like to welcome **Intern, Truely Chance** from Marywood University. Truely is earning her master's degree and is currently working as a caseworker for Carbon, Monroe, and Pike Counties Mental Health/Mental Retardation department. Welcome aboard Truely!

***"Dreams are illustrations... from the book your soul is writing about you."***  
***- Marsha Norman, Playwright***

**PATH – Honesdale:** Achieving success is the focus of the Honesdale center. **Program Manager, Livio Viola** explains that everyone from clients to staff are going over and above expectations. **Clients Joseph K. and Indiana K.** have achieved yet another milestone in their treatment at PATH. Joseph earned Star Level while Indiana earned Stripes level. Livio explains that both clients have demonstrated leadership qualities and have been an asset to the Honesdale staff. Congratulations Joseph and Indiana!

The staff at the Honesdale center, after the success of their open house, have been going out and meeting with the county agencies and school districts to build our working relationships as we work together to help the local youth overcome their obstacles and struggles through treatment and counseling. The After School Evening (ASE) clients are assisting the local Chamber of Commerce clean up the Honesdale area. The clients are helping remove all graffiti to earn community service hours. The clients are taking great pride in cleaning up the areas they are from.

The Honesdale center would like to welcome **Intern, Brittany Robbins** from Bloomsburg University and **Intern, Brenda Bryan** from Scranton University. Lee states that both Brenda and Brittany have been incredible in assisting the staff at the Honesdale center. Welcome to the team Brittany and Brenda!

**PATH – Lehighton:** The Lehighton center is fully embracing the Fall Season. The clients and staff took a day to visit Country Junction to celebrate the fall festival. The clients practiced their social and communication skills as they had a chance to talk with the employees at Country Junction discussing how to pick the absolute best pumpkins and what to look for in choosing a pumpkin and how to change some of those pumpkins into tasty homemade pumpkin pies! The clients were thrilled to celebrate the changing of the season and the opportunity to communicate and learn about the harvest process of pumpkins and how to create the popular dessert.

While the clients are meeting new people, the Lehighton center will be welcoming surrounding county departments, school districts, and citizens of the community, to the center for an open house luncheon. **Clinical Supervisor, Marisa Anderson** will be hosting the event on November 19<sup>th</sup>, 2010. The luncheon will focus on all of the programs that PA Treatment & Healing has to offer and will offer a more in depth look at the Intensive Adolescent program. \*\*Please contact Marissa at 610-377-8870 if you would like to attend.\*\*

The Lehighton center would like to recognize **ASE Client, Chris N.** Chris has been a part of the ASE program since December 2009 and is scheduled to be successfully discharged in October. The staff would like to wish Chris the best of luck and congratulate him on an outstanding successful completion of the treatment. Chris is an amazing individual and has a bright future!

**PATH – Middleburg:** The Halfway House is full of joy! **Program Manager, Michael Burns** explains that between the addition of a new intern, the recent improvements to the house, and the beautiful fall weather and foliage that surrounds the Halfway House, it is impossible to be anything but positive and full of joy! The Halfway House would like to welcome **Intern, Diane Eshelman** from Susquehanna University. Michael explains that Diane has already made herself a part of the team and is looking forward to helping change the lives of the residents at the Halfway House. Welcome!

The residents of the Halfway House are already achieving great accomplishments in their school work as well as in their treatment. The residents and staff are dedicated to achieving success and refuse

-Improvements At The Halfway House-

to accept anything less! The Corporate Office also made possible some improvements to the driveway and garage. Michael explains that the improvements have been greatly appreciated and built up the morale of the staff and residents. Michael Burns would like to thank **Glick Doors** and **Mid State Paving** for their excellent workmanship and helping the Halfway House improve the quality of the home for the residents.

**PATH – Milton:** The Milton center Day Treatment Program was honored to have **Trooper Burrows** from the Pennsylvania State Police visit the center to speak with the clients on the dangers and repercussions of cyber bullying. Trooper Burrows addressed the growing concern that has affected the country in the recent months and stated that with the growing use of cell phones and social networking internet sites, adolescents are becoming capable of committing this crime away from the computer. Trooper Burrows explained that abuse of any form, is still abuse. Trooper Burrows explained that whether abuse happens in person, on a phone, or even on a computer, it is still viewed the same. The Milton center would like to thank Trooper Burrows for dedicating his time to speak with the clients and delivering a powerful message.

The Milton Alternative Education Program would like to welcome **Teacher, Monique Alexander. Program Manager, Jon Sharpe** states that Monique has already jumped right into the middle of the AEP school year and has adapted quickly! The students of the AEP have been challenged...and they accept! **Teacher, Walter Watkins** has challenged the students to read 500,000 words as a class by the end of the school year. The students are excited to reach this goal and plan on trying to surpass that goal! Best of luck AEP Students!

**Program Manager, Jon Sharpe** wants to congratulate Team Milton on a successful BDAP inspection! A special thanks to **D&A Counselors , Deb Nelson, Ashley Forestal, and Jackie Schultz**, for the hard work and outstanding effort put forth in assuring the success of the inspection. Great job!

**PATH – Scranton:** The Scranton center gave back to a program that has given so much to it. The Food Bank in Olyphant received a helping hand from the AEP students in September. The students helped the food bank distribute the food and products to recipients in the area. **Program Manager, Mark Bonfiglio** stated that students enjoyed the opportunity to give back to the community and lend a helping hand. The AEP students also lent a helping "artistic" hand in designing posters for the center that reflects the core components of the Normative Systems approach. The posters were hung up as a reminder and a motivator to all the students in the AEP program.

-12 Steps To Becoming A Leader-

The Scranton Center would like to thank the Women's Resource Center of Lackawanna County for facilitating a group with the female students from the Scranton center focused on healthy relationships and handling abusive relationships. The female students were able to ask questions and came away with a sense of trust knowing that they now have the tools to handle these issues should they be confronted with them.

The AEP also would like to congratulate **Students, Sabrina, Shane, Jordan, and Dylan** who achieved Blue Level status! All of these students have grown academically and are putting forth an incredible effort in the classroom! Outstanding job Sabrina, Shane, Jordan, and Dylan!

The Scranton center also did a bit of remodeling to the center which sparked morale among the youth and the staff. The clients of the IA/ASE with the help of the staff, created a community room for the clients and students to spend some time playing games and socializing as a

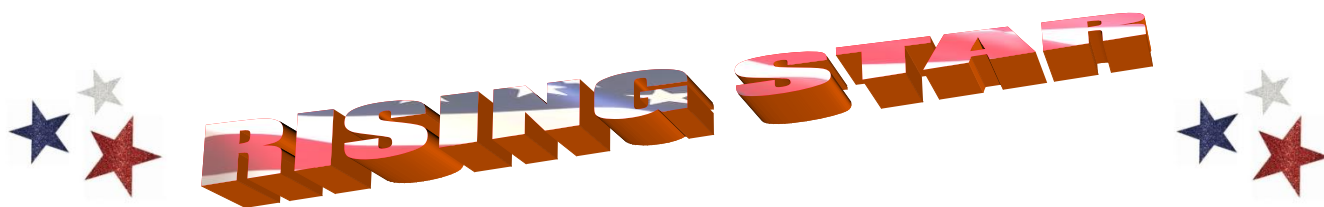

reward. The students of the AEP remodeled the art-room by painting murals that the students created that reflect positivity and motivation as they strive towards the goals of their treatment. Special thanks to **Clients, Brittany, Colin, Mitch, and Zack**, for their hard work in remodeling the rooms! The ASE program also is proud to announce the successful discharge of **Clients, Ana and Lizzy!** The Scranton center wishes both Ana and Lizzy the best in their future endeavors and knows that they have the ability to make their dreams come to life.

The Scranton center would also like to formally welcome **Teacher, Noelle Fabbri, Community Monitor/Teacher's Aide, Marcus Harrison, and D&A Counselor, Lolita Nogan** to the Scranton family! Mark states that all three of the new team members will make a positive impact on the treatment and the lives of the youth they guide.

**PATH – South Montrose:** The South Montrose center is starting off the 2010-2011 school year with a milestone! The South Montrose AEP had a record setting enrollment! **Program Manager, Walt Gieski** states that it is rewarding and motivating to have the local school districts showing their support of our agency as both the agency and the districts strive to achieve desired success for the youth we serve. The AEP and South Montrose family welcomes **Teacher, Melody Phillips** and **Teacher, Shane Decker** to the staff.

The Day Treatment clients are seeing stars. The clients have taken a stance that they all wish to achieve stars status together. The clients have been utilizing group to help each other achieve success and as **Program Manager, Walt Gieski** states, it is a real motivating moment when you see a client assisting another client achieve a goal or a task without being asked. The clients continue to work on their personal goals while applying the norms. Walt states that all the clients are setting the tone for the rest of the year and he feels that this momentum will continue on into 2011. Walt states that it is a team effort and this team is going to go the distance no matter what obstacles lay before them.

The South Montrose Center would like to congratulate **Client, Amber M.** on her successful discharge from the After School/Evening Program and being nominated as the September's Rising Star recipient. Amber is from the **Tunkhannock Area School District** and achieved Stripes rating level while at PATH. Amber enjoyed her time at PATH and stated that she appreciated the respect and care the staff showed her. Amber's future plans include going to a fashion design school and living each day to the fullest. She wants to create a positive journey through life by making the right choices and achieving her dreams. Amber enjoys listening to hip hop music as well as spending time with her friends skating and swimming. She also enjoys expressing her artistic abilities through drawing and loves great comedies and horror movies.

Amber states that even though she was on house arrest and probation, the staff and positive influences in her life, still viewed her as a great kid with a lot of potential. One staff from the South Montrose center writes about Amber "Amber is a great kid who has strived to do the best she can. She is respectful to staff at all times and goes above and beyond when trying to help her peers. She especially works hard and is invested in treatment which shows in her autobiography in which she included a cover and pictures of her going over and beyond what staff expected." The South Montrose center as well as the entire PATH agency congratulate Amber M. on her accomplishments and wish her the best in her bright future ahead!

**PATH – State College:** **Program Manager, Sue Patterson** is making it known that Penn State Football is not the only exciting thing in State College. The State College center

Alternative Education Program is off to a strong start as the students are being educated on the normative systems as the staff builds a new culture of respect and focus on education. The area school districts that utilize the AEP program are ecstatic about the increased communication and feedback for their students. Sue explains that communication is a key component in successful treatment. The State College center has implemented a weekly contact plan to keep the school districts aware of the progress of their students.

The Intensive Adolescent program is showing fruits of their labor as they prepare for a successful discharge in October. The IA program has been focusing on the PATH of Life Model as well as the IA clients have been developing 3D models of their interpretation of the Path of Life Model. Both staff and clients thoroughly enjoyed the time spent creating the models and the bond that was generated between staff and clients while completing the treatment component.

-3D Model Of The-  
Path Of Life

The Drug and Alcohol Program is pleased to announce that September was a successful month. The D&A Program successfully discharged **Clients, Brian S. and Shawn Y.** from the program and the State College family wishes them the best of luck and knows that they will achieve great things with their newly found willpower and strength to overcome and succeed.

**PATH – Williamsport:** There is no "I" in team, states **Program Manager, Cleveland Way.** Cleveland explains that the staff at the Williamsport center are coming together as a team and moving the center into positive new directions. Cleveland states that he is proud of his team and the results that are coming from the combined efforts. He also wants to thank staff from the other PATH centers that have supported the Be Challenged program by participating in the weekends. Cleveland states that the strength of this agency is shown in moments like this when we come together to achieve success.

The Alternative Education Program is in the process of building a library for all the programs to use. **Dean of Students and Education Director, Curtis Keihl** states that donations have been a huge part of building this library and that further donations of reading or text books is greatly appreciated. \*\*\*If you are interested in donating books to the Williamsport AEP library, please contact Curt Keihl at 570-321-7860\*\*\*

The Williamsport center congratulates **Day Treatment Supervisor, Shannon Finck** (formerly Shannon Tagliaferri) on her recent marriage. The family at the Williamsport PATH wishes her and her husband the best of luck in their future together!

## Join The PATH Family

PA Treatment & Healing is looking for committed professionals to join our family to make a difference in the lives of the youth we serve. Please check for up to date job postings at [www.pathtochange.org](http://www.pathtochange.org). Please contact Heather Bickhart at 570-649-6855 for more details.

**Dec 1<sup>st</sup>, 2010**- Treating Juvenile Sex Offenders – J. Sharpe & D. Evans (Corporate)

*\*\*Some of the PATH trainings are available to the public & other professionals. If interested in attending one of these trainings, please contact Heather at 570-649-6855 to find out more.\*\**

## Spread The Word!

Know someone or an agency that would enjoy reading The PATH and the activities and stories about the children and staff at PA Treatment & Healing? Request a copy of the newsletter by emailing Josh Weisen at [joshua@pathtochange.org](mailto:joshua@pathtochange.org). Please submit the name and address of the individual and an email so that we may contact them to verify delivery. We are one band with one sound and the more band members we have, the louder our tune will carry! Join the band today!!!

*"The most recent article in The Path newsletter titled 'The Scars In Life' just really left an impression on me this morning as I was reading it. I thoroughly enjoy reading the newsletter and THANK YOU for keeping us on the mailing list" – Judy D.*

# Donations

PATH would like to take time to thank all the generous individuals and businesses that have given to our centers and to the children we serve. These are the people that make up the foundation that makes our agency strong and allow us to continue to serve the children and the communities in which they live. Thank you from the PATH family and the children we serve. PA Treatment & Healing is a 501 ( c ) 3 non profit entity and all donations are tax deductible. A donation letter will be generated for you after the donation has been made for your tax preparer.

## **September 2010 Donations**

### **Bloomsburg Police Department**

1 Bike Helmet

### **Megan and Justin Hummel**

1 Trek Bicycle

### **Thomas Weisen – Frito Lay**

1512 Singles Bags of Various Frito Lay Chip Products

### **Connie Williams, Community Monitor**

1 Maytag Glass Top Electric Stove

### **Jerilyn A. Keen, President**

1 Sanyo 27" Color Television and 1 Hewlett Packard Deskjet 722 C Printer

### **Erica Frey, Program Compliance Manager**

2 Large Bags Young Men's Clothing

### **Scott Constantini, Regional Director**

1 Cyberhome DVD Player and 1 Durabrand Television

PATH appreciates the support from the generous individuals and agencies that donate to our schools and programs. As we continue to offer the best possible treatment for the youth in our program, we require certain items and equipment that help the treatment continue and improves the experience for the youth. The following is a wish list for items that our centers could use to enhance and improve the experience for the youth in their centers.

**Computers** (All Centers)

**Updated Books and Curriculum** (All AEP Classrooms)

**Camping Equipment** (Be Challenged Program)

**Event Tickets For Field Trips** (All Programs)

**Gift Cards** (All Centers)

**Men's Clothes** (Halfway House)

**Monetary Donations** (All Centers)

Contact Joshua Weisen at 570-649-6855 or [joshua@pathtochange.org](mailto:joshua@pathtochange.org) for details on where to make your donation

## Box Tops For Education

Recently we received our first check from the Box Tops program for **\$171.20** for the contest so far! A great effort has been made by our centers in collecting these. However, the donation of box tops doesn't have to stop at the centers. Please drop off any and all Box Tops that haven't expired to your nearest PATH Center. Every Box Top counts towards the ability for the agency to earn money for our programs! The contest for this year will end on October 31, 2010... and PATH is determined to double the number we currently have! With your help, we can over exceed that goal and possibly triple the amount!

**BOX TOPS**  
EDUCATION

the difference  
**1** can make.

**BOX TOP COLLECTION COMPETITION**

Keep up the good work!!!
